Ride Directions

Important–Please contact Carole or John by Tuesday if you plan on going on the ride and having lunch.

Date: Thursday, September 18, 2008, 9:30 a.m.

Destination: Habersham

Directions to the departure point: Habersham is about 30 miles from the Hilton Head Bridge and takes approximately one hour to get there.

Route 278 to Route 170, and take Route 170 towards Beaufort.

Go 14.5 miles and turn left (shortly after the route 170 & 802 junction) onto Broad River Blvd.

Go 2.5 miles and at the traffic light go left onto Joe Fraser.

Go 1.1 mile then bear left onto Cherokee Farms Road (just before you bear left you'll see a sign on the right that says Habersham with an arrow pointing left.).

Go 0.6 mile and you'll see a welcome sign. Turn left immediately after the Fire House. Park behind the Firehouse. There are new townhouses being built in that area so park wherever you can.

A description of the ride: Habersham is now an established development (9 years) that is similar to Palmetto Bluff on a smaller scale. It is meant to resemble a turn of the century coastal town. There are many small park areas and is very scenic. Many areas overlook the marshes. The ride will be 8 to 10 miles. There are many new homes and townhouses since we last biked.

Lunch arrangements: Ruby Tuesday in Beaufort. After leaving the ride proceed back to route 170. At route 170 turn left and go 2.6 miles turning left into the Walmart entrance. Ruby Tuesday is on the right after entering. We'll eat about 11:45 AM.

Alternate luncheon plans: In the event of rain, we will lunch at Frankie Bones – In Main Street Village on the north end of the island across from Harris Teeter at 11:30 AM
