

E-Z Riders

Ride Directions

Important–Please contact Carl by Tuesday if you plan on going on the ride and having lunch.

Date: Thursday, October 2, 2008, 9:30 a.m.

Destination: Pleasant Point Plantation, Lady's Island.

Directions to the departure point: From the Hilton Head bridge, follow 278 and 170 toward Beaufort. As you leave the Broad River bridge, turn right on 802 and drive past Parris Island and Port Royal. Take a right at the light for Lady's Island bridge (still 802), and go straight through the light at the 21 junction. You'll pass Beaufort Academy on your right, and about 2.2 miles past the light you'll see a sign on your right side for Brickyard Creek Landing. Turn LEFT onto Middle Road/Brickyard Road, and keep to the right on Middle Road (not Brickyard Road which turns off to the left). Go a total distance of about 3.5 miles, and park in the Broomfield Park complex on the left, about 1/2 mile after the Broomfield Creek bridge on Middle Road.

A description of the ride: We'll ride 10-12 miles in Pleasant Point. The roads are lightly travelled.

There are no toilet facilities on the ride. There are port-a-potties in the park where we start, but I can't vouch for them, so you might want to make a stop on the road - there is an EXXON station about one mile before the left turn onto Middle Road/Brickyard Road.

Lunch arrangements: Lunch at about 11:45 at the Berry Island Café. From Middle Road return to 802, take a right, and then, across from the Exxon station, turn right at the first light, Newpoint Road. The Berry Island Café is the the cluster of white buildings immediately on the right.

Alternate luncheon plans: In the event of rain we will have lunch at the British Open Pub in the Wexford mall at 11:30 a.m.

Trip leaders: Carl Tiedemann (Gisela will be in Germany) who can be reached at 671-2693 or by
