Ride Directions

Important–Please contact Sandy or Kerry by Tuesday if you plan on going on the ride and having lunch.

Date: Thursday, November 20, 2008, 9:30 a.m.

Destination: Jarvis Park

Directions to the departure point: We will meet at Jarvis Park, which is located on the south side of US278 between Gumtree Road (Cross-Island Parkway) and Otter Hole Road (where Wendy's is located). From off island, or if you come from the south end of the island via the Cross-Island, you can turn right at Jarvis Park Road, which is the first right past Gumtree Road, directly across from School Road. If you are heading west on 278, there is a traffic signal at this intersection, but no left-turn light from that direction; it may be easier to turn at Otter Hole Road (or come the "back way" on Pembroke Drive), then turn onto Nature's Way, between Wendy's and the old recycling center, to connect with Jarvis Park Road.

A description of the ride: We'll explore Gumtree Road and some of the side streets and developments off of Gumtree and Squire Pope Roads, before returning via Hilton Head Plantation to Jarvis Park for an optional circumnavigation of the lake and investigation of the nature walk.

Lunch arrangements: Weather permitting, we will have a picnic lunch at the park. Sandy and Kerry will provide hamburgers, hot dogs, and the wherewithal to cook and serve them, plus the buns, chips and condiments to accompany them. Please bring your own drinks; there is a soft-drink machine there (\$1.00 per), if that is your preference.

Alternate luncheon plans: If the weather puts a damper on the ride or the picnic, we will lunch at the Main Street Café, at 11:30 a.m.

Trip leaders: Kerry and Sandy Grant, who can be reached at 715-0202 or
