Ride Directions

Important—Please contact Jane or Robb by Tuesday if you plan on going on the ride and having lunch.

Date: May 21, 2009, 9:30 a.m.

Destination: Isle of Hope (Savannah).

Directions to the departure point: The trip takes approximately 50 minutes and is about 42 miles from the Moss Creek Gate to Isle of Hope, GA. We take 278 west to 170. Left on 170 to 46. Turn right on 46 and continue to the tee at 17, and left on 17 to the Talmadge Bridge. For anyone who isn't familiar with the route just watch for the signs to Savannah. After the bridge, exit at the Oglethorpe ramp and follow Oglethorpe through the historic district. Go left on E. Broad and a quick right on President. You'll have 6/10's of a mile to move all the way to the left lane for your left turn onto the Truman Parkway. Now proceed about 6 miles to the Montgomery Cross Exit. At the end of the exit ramp turn left on Montgomery Cross. In about 1/3 mile turn right onto Skidaway Road. As you come toward the island you'll see marsh on both sides of the road, and then see the Wormslow's Historic Stone gate on your right. You're almost there. As you come into Isle of Hope you'll bear left on Parkersburg Road and start looking on the right for the sign for Isle of Hope Baptist Church. This is Rose Street. Turn right on Rose and we will park in the church parking lot. A couple of hundred yards down Rose is the Marina where we have been able to use the restroom in the past.

A description of the ride: Isle of Hope is an historic district that dates back to about 1850. It was established as a summer retreat for the rich and famous of Savannah. Great live oaks, and a fascinating variety of architecture, will make this 12-mile ride through the residential areas a real treat

Lunch arrangements: We will have lunch at the Driftaway Cafe, 7400 Skidaway Road. Check out the menu at (<http://www.driftawaycafe.com>).

Alternate luncheon plans: In event of rain, we will lunch at Badabings on Hwy 46 in Bluffton.
