

E-Z Riders

Ride Directions

Important—Please contact Kerry or Sandy by Tuesday if you plan on going on the ride and having lunch.

Date: Thursday, October 22, 9:30 a.m.

Destination: Jarvis Park.

Directions to the departure point: We will meet at Jarvis Park, which is located on the south side of US278 between Gumtree Road (Cross-Island Parkway) and Otter Hole Road (the road where Wendy's is located). From off island, or if you come from the south end of the island via the Cross-Island, you can turn right at Jarvis Park Road, which is the first right past Gumtree, directly across from School Road. If you are heading west on 278, there is a traffic signal at this intersection, but no left-turn light from that direction; it may be easier to turn at Otter Hole Road (or come the "back way" on Pembroke Drive), then turn onto Nature's Way, between Wendy's and the old recycling center, which connects with Jarvis Park Road.

A description of the ride: We'll explore Gumtree Road and some of the side streets and developments off of Gumtree, then ride through part of Hilton Head Plantation on our return to Jarvis Park. The length of the ride will be about 12 miles.

Lunch arrangements: Weather permitting, we will have a picnic lunch at the park. Sandy and Kerry will provide hamburgers, hot dogs, and the wherewithal to cook and serve them, plus the buns, chips and condiments to accompany them. Please bring your own drinks; there is a soft-drink machine there, if that is your preference. If the weather puts a damper on the ride or the picnic, we will have an "indoor picnic" at the Grants' home, in Hilton Head Plantation, at 11:30. For those who don't live in HHP or Sea Pines, a pass in your name will be available at either gate, **if you have let the Grants know you are coming**. From the main gate, take Whooping Crane Drive to its end and turn right onto Seabrook Road, or from the Seabrook gate (at the end of Squire Pope Road) drive about 2 miles on Seabrook Road. From either entrance, you will then be at the Spring Lake recreation center. Just past this, the road splits; take the right fork there, onto Dolphin Head Drive. About a mile-and-a-quarter on, you will come to a large sign announcing Dolphin Head. Turn right there and then take the first right, onto Cottonwood Lane. This street splits into a "Y"; the Grants are at #21, nearly at the end of the left branch.

Trip leaders: Kerry and Sandy Grant, who can be reached at 715-0202 or by
