Take the first exit after crossing the bridge to Oglethorpe Avenue. Continue on Oglethorpe for two blocks to Martin Luther King Boulevard where you will turn left. Continuing north on King Boulevard for about 2 blocks to Bay Street where you will turn right. Continue on Bay Street for several blocks until it becomes President Street. After you get on Tybee Island continue until you come to the first traffic light at Campbell Avenue where you will turn left. A Chevron Station is on the left corner and the Visitors Center--a bright yellow building--is on the right corner. Continue on Campbell until you reach a yellow house at the end of the street. A description of the ride: Almost all of this ride will be on streets with varying levels of traffic. Please ride single file and be careful. From the parking lot we will ride to the fort and the lighthouse area. We will not visit either attraction; however, bathroom facilities are available there. We will ride through the streets in the area surrounding the lighthouse and the fort. Following that we will ride many of the streets in the downtown area. Later, we will have another restroom break at the pier which is the center of the tourist area. After that we will return to the parking lot to prepare to go to lunch.

Lunch arrangements: Lunch will be at about 11:45 at the Crab Shack at the end of Tybee Island. This a classic waterfront restaurant serving seafood, but other dishes are available as well. [Click here](#) to go to the Crab Shack's web site.
