## Ride Directions

**Important–Please contact Jane & Robb by Tuesday if you plan on going on the ride and having lunch.**

**Please Note Time Change.**

**Date:** Thursday, March 3, 2011, 9:30 a.m.

**Destination:** Lady's Island (Beaufort).

**Directions to the departure point:** The ride will begin at the Berry Island Cafe (843-524-8779). Our GPS found it at 1 Merchant Lane, Lady's Island, SC 29902. It took us 45 minutes to drive there from the Moss Creek gate. Take Hwy 278 to Hwy 170 East toward Beaufort. After the broad River bridge follow Hwy 802 to your right. Continue on 802 over the Parris Island bridge, turning right again as 802 goes over the Beaufort river and on to Lady's Island. 2 miles after crossing the Beaufort river you will cross Hwy 21. The restaurant is not visible from Hwy 802, so approximately 1.5 miles past the 802/21 intersection you'll see an Exxon station on your right. Turn left here and then make an immediate right. You'll see the restaurant on your left. Problems in route? My cell is 843-422-3031.

**A description of the ride:** This is a new route so chances are you will see some areas of Lady's Island that you haven't seen before. The ride is 12 miles and visits the developments of New Point, Celedon, and Ashdale. We'll peddle on quiet neighborhood streets and country roads with a 3 block run down the sidewalk on 802. There is a cut off that will reduce the ride length to about 6 miles if anyone isn't up to the entire ride.

**Lunch arrangements:** Lunch will be at the Berry Island Cafe, (our starting point) at approximately 11:45.

**Alternate luncheon plans:** In case of rain, lunch will be at the Upper Crust in Moss Creek Village at 11:45.
