## Ride Plan

***Important – If you plan to ride, please notify the Ride Leader (not the Webmaster) by the TUESDAY before the Thursday ride.***

**Ride Location:** Jekyll Island

**Date:** Thursday, December 17, 2021

**Time:** Please arrive by 11:15 for lunch.

**Typical Speed:** 10 mph

**Ride Distance:** 12 miles

**Directions to Start:** Allow 2 hours 15 minutes from HHI to Jekyll Island GA.

The gate fee is \$8 per car.

Meet at Love Shack carryout restaurant in Jekyll Market at 11:15. We will order inside (bring mask) and dine outside. There is plenty of parking behind the market at 11 Main Street, Jekyll Island.

**Ride Description and/or Information:** We will ride almost entirely bike trails through the historic district, the inland waterway side and the ocean side of Jekyll Island. We will ride for 2-3 hours with many stops and breaks. We should be back home before dark.

The interesting history of Jekyll Island is available to google online.

The Christmas lighting display in the historic district and ocean side are worth staying to see, however, this is NOT an overnight trip. If you are interested in staying, you should make your own reservations. I recommend The Westin, the Holiday Inn Resort or the Hampton Inn. All are ocean front, not all with views.

**Lunch Restaurant and Directions:** Meet at Love Shack carryout restaurant in Jekyll Market at 11:15. We will order inside (bring mask) and dine outside. There is plenty of parking behind the market at 11 Main Street, Jekyll Island.

**Ride Leaders Names:** Ann Spriggs 843-415-2369 [annmfort@gmail.com](mailto:annmfort@gmail.com)

**Special Note: Please check your email the morning of the ride in case of cancellation due to weather.**
