**Ride Description:** This 13-mile ride is entirely on paved rural roads. St. Helena's Island is a rural island near Beaufort. The island is a mixture of small communities, vast tomato and sod farms, pecan orchards, abundant, untrimmed massive oak trees and a couple of plantations. Excellent biking on country roads with little traffic, great low country scenery.

After the ride, please visit this impressive new library. There are several interesting historical dioramas inside.
